

JOLI UPDATE 6 SEPTEMBER 2017

Assembly

This week's assembly on Friday, 8 September will be hosted by Year 3 in Room 1, starting at 2:15pm.

Parking Signs

The City of Subiaco responded quickly to the school's requests for a change in parking arrangements along Roberta Street opposite the oval and clearer 'No Stopping' signs along Hay Street. Please note the 'No Parking' signs along Roberta Street oval mean cars can park for drop off and pick up purposes, with parents remaining with their vehicle, from Monday to Friday. This should alleviate the issue of all-day parking by train goers and enable families to park and drop their children more easily. This will not apply for weekends.

Extension Coding Club

This club is available for all students in Years 4-6 to attend every Tuesday morning at 7:45am in the library, using python coding, for more information please see Miss Sharplin, or the Year 6 coding geniuses.
